**"N**othing gets me hornier than a good work-out. My husband is a personal trainer and that's how we met. He was trying to get me back in to shape after my first marriage ended. After a long hard work-out, I was so aroused that I dragged him in to the changing rooms and fucked him in the showers. He never complained and always looked forward to our next work-out, if you know what I mean!"

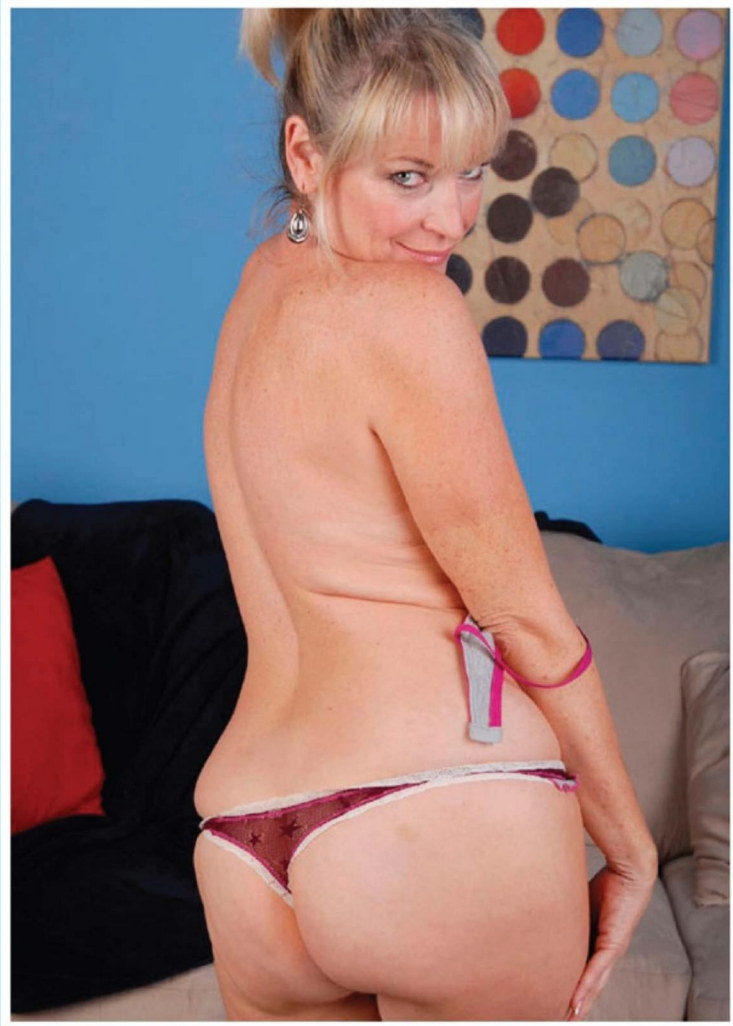

# Nikki Sugar

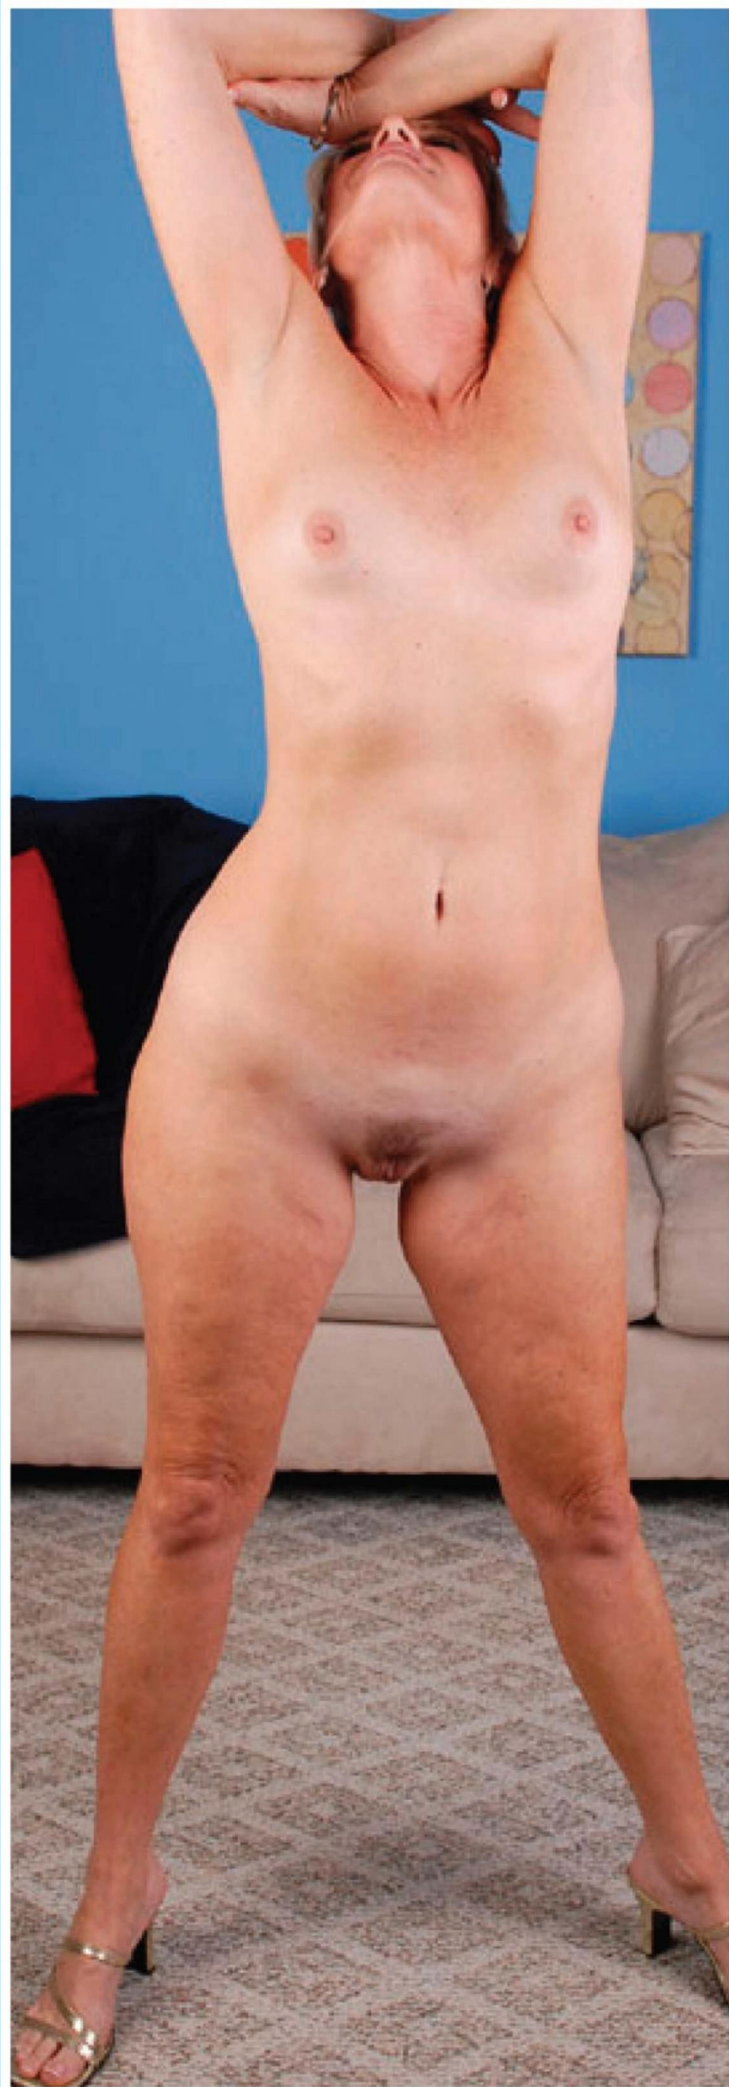

I am a little impatient when it comes to sex as I do like it quite often, my frustration can build up to a bit of a temper. I think the best things I have is my young looks and the school uniform outfit I wear, which always gets a good response from the men I have slept with behind my husbands back. But I think he is starting to suspect and some of his mates are a little unreliable - to keeping their mouths shut.

"This is my randy and amazing wife Kathy. She's the best lay I've ever had and I love to watch her fuck. I've filmed ourselves several times and wank over the videos every day but now I want to take it to the next level. I want to watch the live version. I want to find a man to fuck my wife whilst I watch. Does anyone fancy it?"

We receive so many photos every month and for those readers unlucky enough not to win £200 and a professional photo shoot we've reserved these pages especially for you! We love receiving all of your pictures and the magazine wouldn't survive without them so if you'd like to be in with a chance of winning £200 and appearing in the magazine turn to page 61 to find out more!

"My husband works away a lot and I get very lonely and frustrated. I have phone sex with him most nights but I find it doesn't completely satisfy me. My husband has given me permission to find a fuck buddy whilst he's gone. Any takers."

Claire

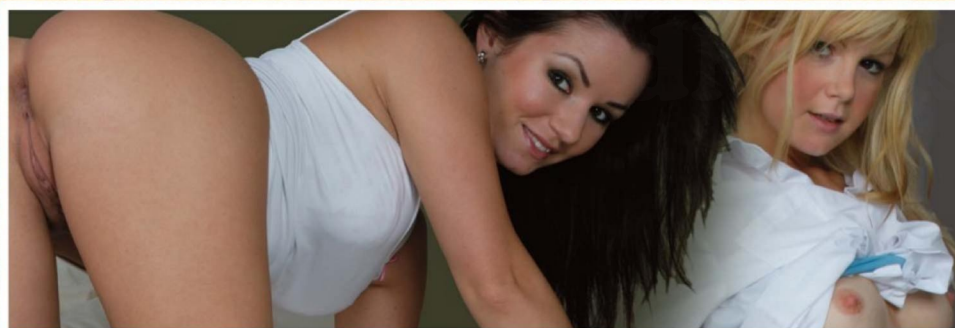

I am a very lonely 43-year-old lady who is wondering if your magazine could find me a man who might fancy me. I asked my friend to take the picture. I suppose if I get no replies I'll have the answer won't I?

**S**helly is a horny housewife that needs a good seeing too as her husband has lost interest. "I've tried everything. I've tried shaving my pussy, threesomes, bondage and nothing seems to work. I'm a very highly sexed woman and this lack of sex is driving me crazy. So I've decided, drastic times call for drastic measures; I'm going to have an affair. If my man can't please me then I'm sure there is someone out there that can. Any offers?"

“The older I get the more confident and happier I feel about my age and body. I got in contact with fantasy magazines because I wanted to do something sexy and daring for myself. I've not had any real ambitions to be a model of any sort it just something that I thought would be fun to do. I wish I had more time with the good looking photographer, I think I could have persuaded him to pleasure me with his bulging manhood.”

# Michelle Williams

**M**elissa Craig from Suffolk is pure filth and loves nothing better than to get caught by her husband fucking another man. "I know how jealous my husband gets and he can always gets so cross, but I get the best fuck of my life when I get him calm, and I smother him with kisses. my husband works nights, so I just go out with my girlie mates that are mostly single, so I get chatted up at the same time as they do. All girls like a compliments and I'm a big sucker for them. But I don't stop at phone number swapping I take them home for a fuck. My husband doesn't always catch me, but he does find some clues, like the stains in the bed. But he knows that I love him, even though I have a twisted way of showing it."

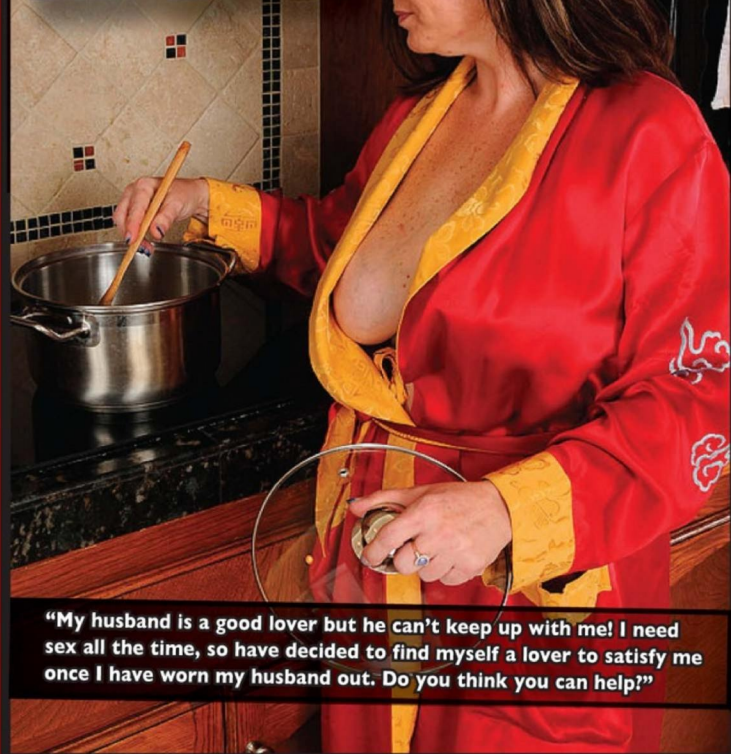

# Jenny Lee

"My husband is a good lover but he can't keep up with me! I need sex all the time, so have decided to find myself a lover to satisfy me once I have worn my husband out. Do you think you can help?"

# Alice Gardener

**A**lice has recently remarried. "After my divorce I felt so sad and lonely that I thought I'd never find a man again but I have and I'm really happy. Bill has revived my sex life and I love it. The other night I got home from work and Bill was standing in the front room ready to greet me in nothing but a smile. He grabbed me, ripped my blouse open, sending buttons flying across the room. He slid my bra under my breast and placed his

mouth over one of my erect and eager nipples. I was becoming so wet and horny that I grabbed his cock, hitched up my skirt and slid my knickers to one side. I placed his cock over my soaking pussy hole and with one hard thrust his 9-inch cock was deep inside me. He fucked me until I was begging him to give me his hot load. When he exploded inside me I screamed with pleasure. We have sex like this all the time and I love it."

# Claire Thomas

“Unfortunately I’m stuck in a dead end marriage where I’m just getting more depressed everyday. I really suspect him of cheating on me with a female blonde at his office. Infact, I believe it’s his receptionist. We’ve only been married for a couple of years, but two can play

that game and now I’m on the hunt for a younger stud. I want a man who has a high sex drive that can pleasure me all night long. I absolutely love cocks and I enjoy sucking them so hard that the cum shoots hard into my mouth and I swallow every drop. I hope to find my young stud soon.”

“I was devastated when I found out what Rob had done to me.. However, when I realised I was able to go out and screw other men again I was over the moon! I would never have dreamt of cheating myself, but there was always the temptation. I'm a very sexual person

and I was always finding men that I liked the look of. Now that I'm single again, I can actually live out my fantasies! My ex husband would never have approved of me doing a photo shoot like this, and this is just a little taste of what's to come! “

# Franky Dobinson

**"W**hen I first started dating my husband I hate to admit it but I did cheat on him on a couple of occasions. I felt really guilty about it and I decided to tell him everything a few weeks before we got married. To my surprise he didn't get angry with me, all he wanted to know was the gory details! I told him that the first time was a drunken fumble in a pub toilet and that I couldn't really remember much and the second time was with a ex boyfriend down an alleyway, which was an experience I remembered in much more detail."

**"I**t happened on a warm, dark night after my ex agreed to walk me home after pub closing. On the walk we chatted about the fact that we hadn't had bonus sex after breaking up and as we passed a dark alleyway my ex suggested that we went down it and fucked one last time. I'd had a few drinks and was feeling randy so I thought it would be a naughty thing to do. We found the darkest spot and he pushed me up against the wall and started kissing me. His hands moved down and slowly popped the buttons on my jeans so that he could put his hand in my knickers and stroke over my clit and slit. He slowly pulled my jeans over my hips and down my legs. As he was busy doing this I was busy doing the same to him until we were both there naked from the waist down. He grabbed me and turned me around so that I was facing the brick wall. He pressed his body against mine and after finding the entrance of my pussy he slowly inched inside me until I was wet enough for him to go at it hammer and tong!"

**"A**s he fucked me relentlessly he kept telling me how filthy I was and asking me if I liked to be fucked like a dirty little slut. He'd never spoken to me like this while we were going out so he must have learnt it from somewhere, and I have to say I enjoyed it immensely. I even started giving some back, telling him to carry on fucking me like a little bitch whore and moaning like women do in pornos. As he continued fucking me I lifted one leg up and put my foot up on a bin next to us giving him an even better angle to penetrate me from. He held it in place with one of his hands and moved his other hand around the front of me where he started flicking his finger back and forth over my clit. I placed my hand over his and helped him to frig me off. I told him that if he was close to coming I wanted him to cum up my arse because I wasn't on the pill and I didn't want him to waste a good load of cum. Just mentioning anal sex brought him to the edge and in two swift movements he pulled out and plunged his cock into my arse. It was the first time I'd tried anal sex and just from those few seconds of having a cock in my rear hole I fell in love with it! He had me pressed right up against the wall now and was fucking me so hard that he was lifting me off the ground every time he thrust upwards. He moved his hand away from my clit and used it to pull my hair back so that he could stick his tongue in

my mouth and show me who was in control. I felt his cock harden and as it did I reached between both of our legs and squeezed hard on his balls until I felt them completely empty themselves inside me. As we both regained our breath my ex's cock became limp and he pulled it out of me letting out a rush of air that he'd pumped up inside me. I told him that I loved being treated like a dirty slut and that he had to do one last thing before pulling his trousers back on and taking me home. He agreed without knowing what it was and to my amazement he did exactly what he was told and licked my inner thighs clean of all the cum that was dripping out of me and finished off

by giving me a hard rimming.

**"A**fter telling my husband the full story he insisted that I take him to the exact spot where I had been fucked by my ex boyfriend and he made me re-in act the dirty sex exactly how it happened. He certainly did treat my like a dirty slag and I might be a bit biased but it was much better second time around! Since then he's got it in his head that he'd like to watch me having sex with another man, I'm not too sure if that would be a good idea, but I'm certainly willing to give it a try.

I had so much fun on the shoot," Mandie told us afterwards. "My husband nagged me to shave my pussy hair off before hand but I prefer the natural look and I think that you're readers get enough shaved pussies amongst the pages of your magazines anyway. I have shaved myself clean a few times before and Ben does spend longer giving me oral sex when I am hair-free, but I feel more comfortable like this. The shoot was everything that I thought it was going to be and it lasted all day, but one thing happened that I wasn't expecting and that was to completely fall for your photographer. He was so charming and sweet and even though he was old enough to be my Dad I have to confess that if he'd offered himself to me I would have quite happily fucked him on the sofa right in front of Ben! Having this attraction, even though it probably was only one-sided, made the shoot so much more erotic and you can probably see from the photos that my pussy is glistening with pussy juice. I had to confess to Ben later on that evening that I'd had some rather naughty thoughts and as time has gone by I can't stop looking at older and more mature guys and thinking about leading them to some secluded spot and having my wicked way with them. I think I've got a bit of a problem and really I need to fuck an older guy to see if it's all in my head!

**M**rs Clarke from Kent loves modelling and showing off her naked body. "I'm one of those lucky girls that has always had a good figure without trying and I'm quite pleased with my tits. I used to be a single mum until I married my photographer boyfriend David. He said that he took one look at me with my clothes on and was smitten. When the clothes came off, as he snapped away with his camera he said that he for go to look through the lens. I noticed that his mouth was gapping alot. I'm a confident woman and I liked what I saw in David so I made the first move. I laid back in the arm-chair I was posing in and spread my legs and lifted them up exposing my anus as well; I told David that if he wasn't married he could wear my ring on his cock. It broke the tension a lot as we both fell about laughing. And now that we have been married he gets to wear my ring every night.

Granny sex in all its glory and filth is in extremely high demand by young and older guys - my name is Beth and I'd love to explain why I enjoy being on a adult chat sex line every day having orgasm after orgasm and making ordinary guys wank off over their phone - I even have a 100% cum rate on all my callers so try as you may you will be unloading and letting go of all that frustration and sense of total relief that you will find you just cannot do without. Myself I am 45 and divorced but my sex drive seems to be higher than when I was 20 and the need to be fucked is so great without these adult chat lines I could not survive with my absolute desperation for cock, I know I am an easy woman so let me give you the most extreme in phone sex chat.
